DAY 81 TRUST GOD

“We all experience times of testing, which is normal for every human being. But God will be faithful to you. He will screen and filter the severity, nature, and timing of every test or trial you face, so that you can bear it. And each test is an opportunity to trust him more, for along with every trial God has provided for you a way of escape that will bring you out of it victoriously.”

1 Corinthians 10:13 (TPT)

Are you in a situation that seems bigger than what you think you can bear? Trust God!

Is your health failing you? Trust God!

Is your account balance a little lower than you expect? Trust God!

Putting our trust in God is the way out of any difficult situation. Times of testing happens to us all and are not unique to you alone but we have a faithful God, who is always available to walk with us through it so that we are not lost, overcome or drowned. He always prepares a way of escape. So, brace up and set your mind on His faithfulness. Refuse to think otherwise!

Shut your eyes to what you are seeing around you and look unto God who always makes a way out. Fill your heart with His promises by constantly meditating on the scriptures and strengthen your spirit with prayer and fellowship with God. Though this might seem like what you have been doing for a while now, continue at it and don't give up. God's word never fails.
